👤 Profile

I have a diverse work experience, including Software and RPA Development, customer services, journalism and leading teams, where I gained end-customer perspectives, soft skills, problem solving expertise, management and developing business strategies. I am Argentinian, have been as an expat in Europe since 2017 and now settled in Helsinki, Finland. An openminded approach to life has taken me to many wonderful jobs around the world, meeting amazing people and learning from many cultures while developing expertise for my career.
